dilbert.com/strips/comic/2016-06-20/

Agenda for Today

1. GCS Final Report

2. Extra Credit Activities

Announcements

- GCS team member evals are available in Canvas; must submit .xlsx file by 11:59 pm Tuesday, 12.13.22; 5% penalty if not submitted

  - 100 pts per team member but *no* points for yourself

  - Points need to total (n-1)*100, n = number of team members

  - Okay to give someone zero points if they didn't contribute at all

Poll

Have you finished your GCS final report?

A. Yes!

B. No ☹

C. Almost

D. Other

GCS Final Reports

- Re-read the prompt to ensure you've followed the instructions correctly

- Read the grading rubric

- Be sure report is a minimum of 4 pages long; references can only count for 1/3 column toward minimum

- Be sure report doesn't exceed 5 pages, but references can extend beyond 5 pages (but 1/3 column of refs must be on p. 5

- Be sure abstract is between 100 and 150 words long

GCS Final Reports (cont.)

- Be sure each section meets its minimum column-length requirement; if all sections are only the minimum length, report will be too short

- If one section is shorter than minimum column-length requirement (but not by a lot), team captain must write note when submitting clearly explaining why, e.g.,

  - "Ethical analysis exceeded 4 columns, and report would have been too long without shortening introduction to 1/3 column."
